**Commercial swimming pool cleaning solution**

Battery or mains powered  
with its own filtration

## MANUAL VACUUM CLEANER WITH INTEGRATED FILTER

Gone are the days of connecting a floating pipe to your filter or looking for a vacuum socket. Quick vac' is light, portable and battery-operated.

It easily handles all kind of pools.

Equipped with four 360°-rotating wheels and an independent filter, it gets into the corners, vacuums up large leaves and can hold large quantities of sand in its bag without losing suction. 40m<sup>3</sup>/h of suction. It is powered by a 12v rechargeable battery, and is operated with a telescopic pole.

Comes complete with transportation trolley.
