A well-installed lifeguard is an efficient rescuer

## PLATFORM FRIEDEL

Our hexagonal control tower is perfect for a 180 degrees view with bench or 360 degrees with central seat. With a height of 100cm and a seat height of 150cm, the lifeguard will have a perfect unobscured view. In stainless steel for a better resistance to time. Umbrella holder included. Integrated wheels for storage or easy movement. Possibility of anchoring on the ground.

**Be the master of your pool!**
