

# SANITARY INFO ALERT

**Changing  
room and  
shower**

## SOUND MESSAGE:

“**Corona virus alert, Using soap in the shower is mandatory, we remind you of the importance of a distance between each swimmer. Please respect the sanitary regulations**”

## SECU-RELAY'S STRONG POINTS

All sanitary recommendations repeat it over and over, it is imperative that pool users can take a shower before entering the pool...

Thanks to an automatic presence detection, the secu-relay recalls, through its IP66 loudspeaker, the health recommendations in force, namely cleaning of the hands and body as well as compulsory distancing.

Easy to install, it attaches to a wall at a height of around 2.50m and requires only a simple mains supply.

The sound volume is adjustable using the dial.

Ideal for showers or changing rooms without staff.

Personalized message if necessary.

IP 66 case, French made.

Case width 20 cm, height 30 cm. 220V / 24V DC.

Speaker 70 db. Infrared sensor.
