

Pool equipment and animation solution

Shower alert device

The advantages of the shower are clear!

All recommendations repeat, it is imperative that all users shower prior to entering the pool.

A recent study in America showed that each user had an average of 9 grams of faeces when entering the pool.

With users showering, the benefits are immediate:

- You will reduce your chlorine consumption
- This limits the risk of contamination
- You will make the water healthier

Spartel shower is here to remind!

Width 20 cm. Height 30 cm. 220V / 24V DC. Speaker 70 db. IP66. Infrared sensor.
